

The Foil Specification We Are Making:

Length: 3-300m ,

Width: 250-600mm,

Thickness: 0.009 to 0.025mm.

According to the foil use and market demand, the foil can be packed in an individual colour box, PP bag or white cellophane paper.

We can make the package per customer's design or use Frist's design.

Length: 10 m
